

DEPARTMENT OF PSYCHOLOGY
BA HONOURS ORIENTATION WEEK 2025
10 February 2025 till 13 February 2025

We are doing our orientation a bit differently this year and hope that this will improve the group moral and general group dynamics in the BA Honours 2025 class.

We have decided to make it an orientation week that will take place during the 1st week of lectures. We have tried to accommodate students who had travelling issues before lectures started.

We have a week planned with fun in the sun and getting to know the department and Honours Staff better.

The program coordinator will pop in for Q & A sessions on days when she is available due to M1 lecturing commitments.

Please come to building 7 the Psychology Building should you need help locating the venues.

DAY 1

The students will meet the BA Honours coordinator and administrator in the morning. We will discuss where students can get help from, all available services like Emthonjeni Student Wellness, Success Coaching Services and Psychology Society. A brief welcome and explanation of the week to come. Setting up the class WhatsApp group and voting for the Honours 2025 class representative.

DAY 2

The administrator will take the students to all the lecture venues on their timetable. We will have fun in the sun with an ice breaker outside to get to know everyone better.

DAY 3

Online session to help with registration, modules and funding. A presenter available to help with funding tips. The departmental obligation of all students who are funded by NRF and PGRS will be discussed.

DAY 4

Online session where the 2024 Honours students will give tips and tricks to the incoming class of 2025.
